Behind SYC

behind the scenes of
Stillwater Youth Center

Spring is here! ...and in less than 40 days summer vacation will be here, too. There's so much planned, so make sure to stay in the loop at www.stillwateryouthcenter.com.

Spring 2010

3 MONTHS AND LOOKING GOOD!

JESSE CRANE, DIRECTOR OF MINISTRY

Jesse & Meg Crane with son Drew

a new printer, new pool cues, and a Nintendo Wii gaming system. Also, Mr. Don Cornish of Billings, MT graciously donated a large copier to the SYC. The printer and copier were both much-needed additions to our office and will allow us to produce higher quality publications while lowering our overhead costs.

With the pool cues and the Wii system we have added to our repertoire of activities which attract young people to the Youth Center. Our primary objective at the SYC is to introduce youth to the true Lord and Savior, Jesus Christ. Unfortunately, we are competing against so many distractions that the world offers them; having these fun and interesting tools in place to draw them in just give us more opportunities to be involved in their lives. The youth really enjoy challenging their friends to a game of 8-ball or a 4 person bowling match on the big screen. They are even willing to help us clean up around the SYC to earn some Wii time. We are very grateful to people like Mr. Cornish and to the Stillwater Mine for their continued support of the SYC.

We are also adding to our schedule of activities at the SYC. We have begun a Thursday evening hang-out time called Banter and Beans. Youth can come anytime between 6:00 and 9:00 pm and we meet in the Drifter's An-

chor Kaffe. This is a great opportunity for new youth to get plugged in at the SYC because we just relax and have a ton of fun! We drink coffee, play board games and discuss hot topics of the day.

Parents, your kids can also join us for our other scheduled activities. We are open Monday, Wednesday, Thursday and Friday from 2:00-9:30 pm and are always up for some hang-out time or even some homework help. If you are looking for something deeper, our ministry groups offer a chance for the youth to worship God, spend time in His Word, and be challenged to follow Christ whether their friends are looking or not. On Mondays we have Middle School Worship starting at 7:30 pm; we do the High School worship on Wednesdays at the same time. On Fridays we have our Movie Night at 7:30 pm too!

I am so glad to be involved with the ministry at the Stillwater Youth Center. The Lord has been using this place for 15 years to reach the young people of the Stillwater Valley and He is using it now to reach this young generation. You can be sure that inside these walls His Word is taught, His Name is praised, and His Love is shared with everyone who comes through our doors.

HYPE ROCKS

A Christian dance team from Oklahoma called HYPE visited the youth center in March traveling from Wyoming to Montana with Louis Kousoulos (former SYC Youth Director). HYPE stands for Helping Youth Prepare for Excellence. Their ministry in dance is geared around this theme.

Youth from Columbus and Park City participated in the weekend with HYPE. The weekend began with dance routines, skits, SYC youth participation and a testimony, followed by an overnight stay at the youth center.

The weekend ended with more dance and skits and a surprise visit from Katie Kousoulos and the kids. It was great to see the Kousoulos family again and WOW the kids have really grown.
